

Lansbury Lawrence Primary School

Cordelia Street

Poplar

London

E14 6DZ

Head Teacher: Owen O'Regan

2nd November 2021

Dear Parents and Carers,

Important: The way that Lansbury Lawrence communicates with parents is changing.

Lansbury Lawrence is introducing a new messaging and communication service run by Weduc: Smart Communication.

Some of the reasons that we've made this change are:

- Web-based communication with any internet device, including through a smartphone app
- Communicate with both parents and carers
- All current information that parents need including the school calendar in one place
- Works with the school website
- A range of other features including online permission slips and payments

We understand that this will be a big change and we are ready to support everyone to get on to the system as quickly as possible.

We aim to begin rolling this system out before the end of November so that it is working for all of our parents by the New Year.

Unfortunately, because of contractual negotiations, we will not have a text messaging service over the next few weeks so we will put important information for you into your child's book bag.

Please check your children's book bags every day for school communication.

We will continue to publish the school newsletter through the school website and add the link to the homepage, along with all of the information that you need.

We expect this to be a short-term inconvenience and are looking forward to the new service which we are confident will improve communication for all of us.

Best wishes,

Owen O'Regan
Head Teacher
